We are residents of the Berkshires who are taking on the mission of enabling people to age in their own home by fostering independence, a sense of security, well-being, and a meaningful life.

Memberships are open to anyone within the Berkshire area. One year memberships with monthly payments and scholarships are available. Non-service associate memberships, providing fiscal support for the work we do, are also available.

Volunteering is simple and it's the cornerstone of our Village - help your neighbors, your community and you help yourself.

*V*olunteers add to the Villages model. Whether you have a unique skill to offer and/or can contribute a specific block of hours to help others, let us match your time and talents with someone who needs them.
